THREE NAILS RECOVERY

Hope. Healing.
A New Beginning.

A Christ-centered recovery housing vision for men rebuilding their lives.

PANAMA CITY & BAY COUNTY, FLORIDA

Program in development. Housing availability and opening details will be announced.

A place to rebuild.

Your past does not have to define your future.

OUR MISSION

Three Nails Recovery is developing a safe, structured, faith-based community where men affected by substance use can pursue recovery, spiritual growth, and lasting restoration.

We believe a new beginning grows through a relationship with God, meaningful connections, and the daily choice to take the next right step.

> Restoring lives.
> Strengthening families.
> Building hope.

Our vision is to help men build stronger recovery supports, stable employment, healthier relationships, and a plan for independent living.

A community to grow.

Faith. Accountability. Practical support.

A place to rebuild

Planned sober housing, consistent routines, house responsibilities, and personal accountability.

Faith & community

Recovery support, discipleship opportunities, peer encouragement, and connections that help men keep moving forward.

Steps toward stability

Employment support and help with practical needs such as work clothing and transportation, as resources allow.

MOVING FORWARD TOGETHER

Recovery housing and peer support, with connections to outside providers when clinical care is needed.
